

## Great Strength

Is not required to do washing and house-cleaning, when it is done with PEARLINE. With Pearlina, a delicate woman can do this hardest of woman's work with comparative ease. She don't have to rub herself or her clothes to pieces when she washes in this new way.

You will find these labor-saving directions on every package, and one trial will convince you that in PEARLINE you have found the most improved means and method for all washing and cleaning. Millions are using it.

**Beware** Peddlers and some unscrupulous grocers are offering imitations which they claim to be Pearlina, or "the same as Pearlina." IT'S FALSE—they are not, and besides are dangerous. PEARLINE is never peddled, but sold by all good grocers. Manufactured only by JAMES PYLE, New York.

**A. H. KING & CO.,**

**LEADING AMERICAN CLOTHIERS, 627 & 629 BROADWAY, NEW YORK.**

**DR. WILBOR'S**  
COMPOUND OF  
Pure Cod Liver Oil And Phosphates

It has required much experience and care to enable the proprietor to combine the oil and phosphates so that they would become thoroughly efficacious together, and he has the only recipe by which this can be accomplished. Another important advantage which the Pure Cod Liver Oil possesses prepared in this way, over the plain cod liver oil, is the fact that besides adding largely to its medicinal qualities, it preserves the oil pure and sweet for a longer period than can be done in any other manner. This fact alone would recommend this form of using the oil even if the phosphates did not also add vastly to the healing qualities of the preparation. The perfect incorporation of the phosphates with the cod liver oil has only been accomplished by the adoption of the most perfect rules of chemistry; and a medicine has been produced which, while it is so efficacious, is also perfectly palatable and pleasant.

**OF LIME, SODA, IRON.**

**CURES**  
CONSUMPTION, COUGHS, COLDS, ASTHMA, BRONCHITIS, DEBILITY, WASTING DISEASES, and all SCROFULOUS HUMORS.

Almost as palatable as cream. It can be taken with pleasure by delicate persons and children, who often find it, become very fond of it. It assimilates with the food, increases the flesh and appetite, builds up the nervous system, restores energy to mind and body, creates new rich and pure blood, in fact, rejuvenates the whole system.

**FLESH, NERVE, BLOOD, BRAIN.**

This preparation is far superior to all other preparations of Cod Liver Oil; it has many imitations, but no equals. The results following its use are its best recommendations. Be sure, as you value your health and get the genuine. Manufactured only by DR. ALBERT H. WILBOR, Chemist, Boston, Mass. Send for illustrated circular, which will be mailed free.
